

Hope for Haiti

K- Kids, a community service group of 4th and 5th grade Harriet Bishop students, is sponsoring a fund-raising effort to support families in Haiti following the devastating earthquake.

K-Kids will be collecting monetary donations during lunch hours on Tuesday, February 9 through Thursday, February 11 in the cafeteria. Students making donations will be able to decorate a heart to be displayed within our school.

On Friday, February 12, students will be allowed to wear hats by making a donation of \$0.25 or more in their classroom. Money from all four days will be sent to UNICEF where 100% of contributions go directly to support children in Haiti.

**Thank you for
your generosity!**
